

DOORS TO YOUR WORLD

CATALOGUE OF INSPIRATIONS 2011

BY PORTA GROUP

ABOUT THE COMPANY

PORTA Group was established in 1992 in Poland, Bolszewo (45 km to Gdansk) and within few years the company became the largest and the most dynamically developing doors manufacturer, leading not only in Poland but also in European market.

Nowadays PORTA Group employs nearly 2000 people, includes four factories located in Poland, one in Romania and produces about 85 000 door leaves and 65 000 door frames monthly. The PORTA Group wide range of products is distributed in 26 European countries under trade brands: VERTE, Porta DOORS and VILLADORA.

From the early beginnings up till now, the company's main goal is to deliver complete door solutions responding to customers' highest requirements within design, aesthetics, quality and different technical parameters.

Thanks to qualified personnel, committed to doors creation combined with great experience and advanced technology, as well as application of the newest achievements supplied by the world renowned producers of the door components, PORTA Group has introduced numerous best-seller lines of doors. The door models either present timeless style or bring customers up to current trends in the interior design always in good taste.

All this for your comfort and pleasure.

BRAND PHILOSOPHY BY PORTA GROUP

Each interior creates its own ambience, having extraordinary impact on your daily feeling. The interior design decides about if you call the space YOURS, in case it reflects your character and likes or not, regardless of how much time you have spent in one place. That is why so many of us when decorating dreamed-of space spend hours to prepare an ideal interior design concept in which all individually selected elements are equally important and perfectly match each other.

For that reason PORTA Group provides you with a vast variety of doors with different characteristics according to any interior's or customer's personalized requirements.

Let this catalogue become the inspiration to create YOUR world, YOUR ideal space concept board with PORTA Group doors.

Open the door to imagination...
